Important

Please read the following statement carefully:

I certify under penalty of perjury that my enclosed written statement is true and correct to the best of my knowledge.

I agree to cooperate with officials of the U.S. Department of Education and the U.S. Department of Justice in the investigation of the facts and circumstances relating to the student loan obtained in my name. I further agree to testify in any administrative proceeding or criminal or civil court case relating to this matter.

I understand that providing this statement and agreeing to cooperate and provide testimony does not release me from my obligation to repay the loan obtained in my name. Until the U.S. Department of Education notifies me in writing that the investigation has been concluded and unless I choose to make payments on the loan, the loan will be placed in a suspended collection status. Although I will not have to make payments while this loan is in the suspended collection status, interest will continue to accrue.
